

- **How do I enroll for courses of HydrocarbonZ ?**

First, one needs to sign up/ register on this website. After registration, one will get account verification e-mail on registered e-mail id. Only after successful verification, one will be able to log in. One can then enroll for available course/ courses .

- **How do I get the idea of content of course before enrollment ?**

FREE sample chapters along with Index of EXPLORER; and details of courses will be sent via e-mail on registered e-mail id on completion of registration. One will also get a link for FREE MockGATE through separate e-mail within 48 hours of successful registration.

- **How to do payment of the course ?**

“Enroll For Standard Packages” button on this website will redirect you to packages available. “Buy Now” button of respective package will provide you an e-mail for further actions from your end. Once paid successfully, your money will be safe with us.

- **Is it possible to enroll for a separate product ?**

One can opt for a package as shown on website & not for a separate product.

- **What do I get after enrollment ?**

On successful payment realization (which may take 4-5 working hours), our team will revert back to you with the acknowledgement. Explorer™ Books & TarGATE™ Book (as per package selected by you) will be delivered to your desired address within 4-5 working days. Online test series will be provided as per schedule.

- **Will there be any fixed time schedule within which I have to take online tests ?**

There is no fixed time to appear for tests. Tests will be available up to 1 day before actual GATE exam. One can appear for tests as per convenience.

- **How many times one can appear for any particular test ?**

One can appear for any particular test only once. The result of the test can be reviewed twice.

- **What is the exam pattern of GATE-2019 ?**

Multiple Choice Questions (MCQs)

These questions are objective in nature and each question will have choice of four answers, out of which the candidate has to mark the correct answer. Each question carries 1 or 2 marks questions in all the sections. For 1-mark multiple-choice questions, 1/3 marks will be deducted for a wrong answer. Likewise, for 2-marks multiple-choice questions, 2/3 marks will be deducted for a wrong answer. There is no negative marking for numerical answer type questions.

Numerical Answer Questions

There will be no choices available for these types of questions. A Numeric Answer question carries 1 or 2 marks questions in all sections. The answer for these questions is a real number to be entered by using mouse and virtual keypad displayed on the monitor. No negative marking for these questions.

Section	Question No.	No. of Questions	Marks Per Question	Total Marks
General Aptitude	1 to 5	5	1	5
	5 to 10	5	2	10
Technical + Engineering Mathematics	1 to 25	25	1	25
	26 to 55	30	2	60
Total Questions : 65		Total Marks : 100		Total Duration : 3 hours
Technical Section : 70 marks		General Aptitude: 15 marks		Engineering Mathematics : 15 marks
